WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in July, 2017, NY Mooers IV, LLC, a New York limited liability company (the “Company”), presented an application (the “Application”) to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in an approximately 11 acre portion of an approximately 207.7 acre parcel of land located on 297 Boas Road (being a portion of Tax Map No. 58.-1-9) in the Hamlet of Mooers Forks in the Town of Mooers, Clinton County, New York (the “Land”), (2) the construction on the Land of a 2MW AC community solar photovoltaic facility to include an interconnection line (collectively, the “Facility”) and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (collectively, the “Equipment”) (the Land, the Facility, and the Equipment hereinafter collectively referred to as the “Project Facility”), all of the foregoing to constitute a solar farm and other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and
