Reading and Consideration of the Draft Minutes of the CCIDA Audit Meeting of December 13, 2021

D. Hoover waived the reading of the minutes of the December 13, 2021 meeting. He asked if there were any questions regarding the draft minutes and there were none.

On a motion by J. VanNatten, and seconded by T. Trahan, it was unanimously carried to approve the minutes of the December 13, 2021 meeting.

Review of Draft Audited Financial Statements

David Bushey of Martindale Keysor & Co., PLLC reviewed the draft audited financial statements for the CCIDA. He noted that the audit found no deficiencies or weakness in the internal controls. This was a clean unmodified audit with no findings. D. Bushey did point out that the agency's cash balances exceed the FDIC insurance limits but noted that the issue is being actively addressed. D. Bushey stated he will indicate in the letter to the Board of Directors that a solution is being actively pursued by the Agency to resolve this issue.

D. Bushey also indicated that he is missing audit responses from two companies. M. Ryan advised that she has been in contact with these two companies and expects their information shortly. D. Bushey advised that the missing information will not change the report findings but will be required before the audit can be finalized and posted to PARIS. It was agreed that all information will be provided to D. Bushey for his review prior to the PARIS report being submitted and certified.
