Present: Molly Ryan, Executive Director of the County of Clinton IDA  
Dorothy Brunell, Administrative Assistant, County of Clinton IDA

My name is Molly Ryan, and I am the Executive Director of County of Clinton Industrial Development Agency (the "Agency") in connection with the project which is the subject of this public hearing.

Today I am holding this Public Hearing to allow citizens to make a statement, for the record, relating to the involvement of the Agency with a project (the "Proposed Project") for the benefit of NY Plattsburgh II, LLC, a New York State limited liability company (the "Company").

The Proposed Project consists of the following: (A) (1) the acquisition of a leasehold interest in an approximately 24-27 acre portion of an approximately 48.8 acre parcel of land located at 12 Benny Blake Road (being a portion of Tax Map No. 220.-4-36) in the Town of Plattsburgh, Clinton County, New York (such portion being hereinafter referred to as the "Land"), (2) the construction on the Land of a 5MW AC solar photovoltaic electricity generating facility, including, but not limited to, racking, modules, inverters, transformers, electrical wiring and system components (all said improvements being collectively referred to as the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery and equipment and other tangible personal property (collectively, the "Equipment") all of the foregoing to constitute a solar energy generating facility to be owned and operated by the Company (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

I intend to provide general information on the Agency's general authority and public purpose to provide assistance to this Proposed Project. I will then open the comment period to receive comments from all present who wish to comment on either the Proposed Project or the Financial Assistance contemplated by the Agency with respect to the Proposed Project.

**Legal Authorization and Powers of the Agency**

The provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York as amended, and Chapter 225 of the 1971 Laws of the State of New York, as amended, codified as Section 895-f of said General Municipal Law (collectively, the "Act"), authorize the Agency to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining and equipping and furnishing of manufacturing, warehousing, research, commercial and industrial facilities, among others.

## **Purpose of this Public Hearing**

Pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the "Act"), prior to the Agency providing any "financial assistance" (as defined in the Act) of more than \$100,000 to any project, the Agency, among other things, must hold a public hearing pursuant to Section 859-a of the Act with respect to said project. Since the proposed "financial assistance" to be provided by the Agency with respect to the Proposed Project may exceed \$100,000, then prior to providing any "financial assistance" (as defined in the Act) of more than \$100,000 to the Proposed Project, the Agency must hold a public hearing on the nature and location of the Project Facility and the proposed "financial assistance" to be provided by the Agency with respect to the Proposed Project.

After consideration of the Application received from the Company, the members of the Agency adopted a resolution on April 11, 2022 (the "Public Hearing Resolution") authorizing the Executive Director of the Agency to conduct this Public Hearing with respect to the Proposed Project pursuant to Section 859-a(2) of the Act.

The Executive Director of the Agency caused notice of this Public Hearing to be (A) mailed on April 21, 2022 to the chief executive officers of Clinton County, the Town of Plattsburgh and the Beekmantown Central School District and (B) published on April 22, 2022 in The Press Republican, a newspaper of general circulation available to the residents of the Town of Plattsburgh, Clinton County, New York. In addition, the Executive Director of the Agency caused notice of this Public Hearing to be posted on April 21, 2022 on a public bulletin board located at the Town Clerk's Office located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York and on the Agency's website.

Copies of the notice of this Public Hearing are available on the table.

Now, unless there is any objection, I am going to suggest waiving the full reading of the notice of this Public Hearing, and instead request that the full text of the notice of this Public Hearing be inserted into the record of this Public Hearing.

## **Public Hearing Notice**

Notice is hereby given that a public hearing (the "Public Hearing") pursuant to Section 859-a(2) of Article 18-A of the General Municipal Law of the State of New York (the "Act") will be held by the County of Clinton Industrial Development Agency (the "Agency") on the 4th day of May, 2022 at 10:00 o'clock a.m., local time, at the Plattsburgh Town Hall located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York in connection with the following matters:

NY Plattsburgh II, LLC, a New York State limited liability company (the "Company"), has submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of a leasehold interest in an approximately 24-27 acre portion of an approximately 48.8 acre parcel of land located at 12 Benny Blake Road (being a portion of Tax Map No. 220.-4-36) in the Town of Plattsburgh, Clinton County, New York (such portion being hereinafter referred to as the "Land"), (2) the construction on the Land of a 5MW AC solar photovoltaic electricity generating facility, including, but not limited to, racking, modules, inverters, transformers, electrical wiring and system components (all said improvements being collectively referred to as the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery and equipment and other tangible personal property (collectively, the "Equipment") all of the foregoing to constitute a solar energy generating facility to be owned and operated

by the Company (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"); (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Clinton County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

Pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the "SEQR Act") and the regulations (the "Regulations") adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, "SEQRA"), by resolution adopted by the members of the Agency on April 11, 2022 (the "SEQR Resolution"), the Agency (A) concurred in the determination that the Town of Plattsburgh Planning Board (the "Planning Board") is the "lead agency" with respect to SEQRA, and (B) acknowledged receipt of a negative declaration from the Planning Board issued on January 13, 2022 (the "Negative Declaration"), in which the Planning Board determined that the Project would not have a significant adverse environmental impact on the environment, and therefore, that an environmental statement need not be prepared with respect to the Project.

Minutes of the Public Hearing will be transcribed and posted on the Agency's website ([www.clintoncountynyida.com](http://www.clintoncountynyida.com)).
