The Development Corporation

P. Grasso, President and CEO of The Development Corporation (TDC) reviewed the proposed project:

In order to expand its inventory of available industrial space for lease to new businesses, TDC seeks to construct a 20,350-sq. ft. building between 160 and 190 Banker Road. The building will be designed for lease to three tenants, with an office area with entrance in the front and warehouse/manufacturing space with truck access in the back of the building.

Although the building does not as yet have a confirmed tenant, based upon current prospects, TDC is confident that the proposed building will be leased to a company or companies that advance TDC and CCIDA's missions. TDC is currently communicating with potential prospects who may be interested in leasing part of the building when it becomes available.

TDC seeks to initiate construction in the summer of 2017, with project completion planned for summer 2018. A SEQR Neg Dec and required approvals were secured from the Town of Plattsburgh on May 16, 2017.

P. Grasso stated that is would not be feasible to complete this project without the assistance of the CCIDA. He noted that without the PILOT at the highest lease rate TDC would lose approximately \$220,000 and at the lowest lease rate TDC would lose approximately \$420,000.

With no further questions or discussion P. Grasso left the meeting.

Clinton Community College Faculty Student Association (CCC FSA)

Joanne M. Rushford, Executive Director for the CCC FSA reviewed the bond modification request:

Due to decline in student enrollment and a resulting decline in revenues, the CCC FSA is seeking a simple bond modification to extend the maturation of the bond by 24 months and to suspend principal payments for two years while maintaining only the monthly interest payments.

This action will save the CCC FSA approximately \$340,000 over the next two years and allow the organization time to develop a plan for moving forward.

With no further questions or discussion J. Rushford left the meeting.

T. Trahan waived the reading of the minutes of the May 8, 2017 regular meeting. He asked if there were any questions or discussion regarding the draft minutes and there were none.

Staff have prepared draft invoices for administrative services provided to CCCRC by CCIDA for FY 2016 and Quarter 1 of 2017.

Agency members authorized counsel to create a draft of the revised policy for review by the Agency’s Governance Committee at the July meeting. The Governance Committee will then make a recommendation for approval to the Board.
