**Regarding Mount Whitney Meadows, LLC**  
**February 4, 2021**

The public hearing was called to order by Renee McFarlin, Executive Director of the County of Clinton Industrial Development Agency at 9:00 a.m., electronically via GoToMeeting at <https://global.gotomeeting.com/join/116377429>, Plattsburgh, New York.

Present: Renee McFarlin, Executive Director of the County of Clinton Industrial Development Agency; Dean Schneller, Esq., Applicant's Counsel; Patrick Murnane, Sr. and Mike Murnane, Mount Whitney Meadows, LLC; Trevor Cole, Town of Plattsburgh Senior Planner.

My name is Renee McFarlin, and I am the Executive Director of County of Clinton Industrial Development Agency (the "Agency") in connection with the project which is the subject of this public hearing.

Today I am holding this Public Hearing to allow citizens to make a statement, for the record, relating to the involvement of the Agency with a project (the "Proposed Project") for the benefit of Mount Whitney Meadows, LLC, a New York State limited liability company (the "Company").

The Proposed Project consists of the following: (A) (1) the acquisition of an interest in an approximately 24.31 acre parcel of land located on the south side of Connecticut Road (Tax Map No. 233.-5-52) in the Town of Plattsburgh, Clinton County, New York (the "Land"), (2) the construction on the Land of an approximately 60,000 square foot pre-engineered, insulated, metal building (the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery and equipment (collectively, the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to constitute a manufacturing facility to be owned by the Company and leased to SterRx, LLC (the "Tenant") and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

I intend to provide general information on the Agency's general authority and public purpose to provide assistance to this Proposed Project. I will then open the comment period to receive comments from all present who wish to comment on either the Proposed Project or the Financial Assistance contemplated by the Agency with respect to the Proposed Project.

**Legal Authorization and Powers of the Agency**

The provisions of Chapter 1030 of Laws of 1969 of New York, constituting Title I of Article 18-A of the General Municipal Law, Chapter 24 of the Consolidated Laws of New York as amended, and Chapter 225 of the 1971 Laws of the State of New York, as amended, codified as Section 895-f of said General Municipal Law (collectively, the "Act"), authorize the Agency to promote, develop, encourage and assist in the acquiring, constructing, reconstructing, improving, maintaining and equipping and furnishing of manufacturing, warehousing, research, commercial and industrial facilities, among others.

## **Purpose of this Public Hearing**

Pursuant to Section 859-a(2) of the General Municipal Law of the State of New York (the “Act”), prior to the Agency providing any “financial assistance” (as defined in the Act) of more than \$100,000 to any project, the Agency, among other things, must hold a public hearing pursuant to Section 859-a of the Act with respect to said project. Since the proposed “financial assistance” to be provided by the Agency with respect to the Proposed Project may exceed \$100,000, then prior to providing any “financial assistance” (as defined in the Act) of more than \$100,000 to the Proposed Project, the Agency must hold a public hearing on the nature and location of the Project Facility and the proposed “financial assistance” to be provided by the Agency with respect to the Proposed Project.

After consideration of the Application received from the Company, the members of the Agency adopted a resolution on January 11, 2021 (the “Public Hearing Resolution”) authorizing the Executive Director of the Agency to conduct this Public Hearing with respect to the Proposed Project pursuant to Section 859-a(2) of the Act.

The Executive Director of the Agency caused notice of this Public Hearing to be (A) mailed on January 20, 2021 to the chief executive officers of Clinton County, Town of Plattsburgh and the Peru Central School District and (B) published on January 22, 2021 in The Press Republican, a newspaper of general circulation available to the residents of the Town of Plattsburgh, Clinton County, New York. In addition, the Executive Director of the Agency caused notice of this Public Hearing to be posted on January 20, 2021 on the Agency’s website and also on January 20, 2021 on a public bulletin board located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York.

Now, unless there is any objection, I am going to suggest waiving the full reading of the notice of this Public Hearing, and instead request that the full text of the notice of this Public Hearing be inserted into the record of this Public Hearing.
