WHEREAS, Prime Plattsburgh, LLC, a New York State limited liability company (the "Company"), has submitted an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, which Application requested that the Agency consider undertaking a project (the "Project") for the benefit of the Company, said Project consisting of the following: (A) (1) the acquisition of an interest in two (2) parcels of land containing in the aggregate approximately 3.36 acres located at 40 Bridge Street (currently tax map no. 207.20-7-14) and 22 Durkee Street (currently tax map no. 207.20-7-15) in the City of Plattsburgh, Clinton County, New York (collectively, the "Land"), (2) the construction on the Land of an approximately 145,338 square foot building and approximately 55,216 square feet of parking space (collectively, the "Facility") and (3) the acquisition and installation therein and thereon of related fixtures, machinery and equipment (collectively, the "Equipment") (the Land, the Facility and the Equipment hereinafter collectively referred to as the "Project Facility"), all of the foregoing to constitute an approximately 114 unit residential apartment complex with ground level commercial/retail space and parking and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, pursuant to the Regulations, the Agency has examined the Application in order to make an initial determination as to the potential environmental significance of the Project and the number of agencies that may be involved with respect to the Project, and, based upon such review, it appears that the Project may constitute a "Type I action" (as such quoted term is defined under SEQRA), and accordingly the Agency wishes to follow the coordinated review procedures outlined in the Regulations with respect to the Project; and

WHEREAS, the Agency has been informed that the City of Plattsburgh Common Council (the "Common Council") desires to be the "lead agency" with respect to the Project (as such quoted terms are defined in SEQRA);

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF COUNTY OF CLINTON INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. Based upon an examination of the Application, and, based further upon the Agency's knowledge of the area surrounding the Project Facility and such further investigation of the Project and its environmental effects as the Agency has deemed appropriate, the Agency makes the following findings with respect to the Project:

(A) The Project consists of the following: (A) (1) the acquisition of an interest in two (2) parcels of land containing in the aggregate approximately 3.36 acres located at 40 Bridge Street (currently tax map no. 207.20-7-14) and 22 Durkee Street (currently tax map no. 207.20-7-15) in the City of Plattsburgh, Clinton County, New York (collectively, the “Land”), (2) the construction on the Land of an approximately 145,338 square foot building and approximately 55,216 square feet of parking space (collectively, the “Facility”) and (3) the acquisition and installation therein and thereon of related fixtures, machinery and equipment (collectively, the “Equipment”) (the Land, the Facility and the Equipment hereinafter collectively referred to as the “Project Facility”), all of the foregoing to constitute an approximately 114 unit residential apartment complex with ground level commercial/retail space and parking and other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

(B) The Project involves more than one “involved agency” (as such quoted term is defined in SEQRA); and

(C) The Project may constitute a “Type I action” (as such quoted term is defined under SEQRA), and accordingly the Agency wishes to follow the coordinated review procedures contained in the Regulations with respect to the Project.

Section 2. For purposes of establishing a “lead agency” with respect to the Project and determining whether the Project may have a “significant effect on the environment” (as such quoted terms are defined under SEQRA), the Agency hereby consents to the Common Council serving as “lead agency” with respect to the Project (as such quoted terms are defined under SEQRA).

Section 3. The Chairperson or Vice Chairperson of the Agency is hereby directed to notify the Common Council of the concurrence by the Agency that the Common Council shall be the “lead agency” with respect to the Project. The Chairperson or Vice Chairperson of the Agency is hereby authorized to execute any written consents necessary to evidence the concurrence by the Agency.
