Micro Bird, Inc., a Canadian Corporation, (the "Applicant"), has presented an application (the "Application") to the Agency, a copy of which Application is on file at the office of the Agency, requesting that the Agency consider undertaking a project (the "Project") for the benefit of the Company (as hereinafter defined), said Project consisting of the following: (A) (1) the acquisition of a leasehold interest in three (3) parcels of land containing an aggregate of approximately 59.14 acres and located at 260 Banker Road and elsewhere on Banker Road (Tax Map Nos.: 205.-4-13; 205.-4-2; and 205.-2-5.2) in the Town of Plattsburgh, Clinton County, New York (the "Land"), together with an existing manufacturing and warehouse facility (the "Existing Facility"), (2) the reconstruction and renovation of the Existing Facility, and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (collectively, the "Equipment") (the Land, the Existing Facility, and the Equipment hereinafter, collectively, referred to as the "Project Facility"), all of the foregoing to be (a) with respect to the Land and the Existing Facility (i) owned by Valiant Real Estate USA Inc., a business corporation organized and existing pursuant to the laws of the State of Delaware (the "Owner"), and (ii) leased to Micro Bird USA LLC, a limited liability company organized and existing pursuant to the laws of the State of Delaware (the "Operating Company," and, collectively with the Applicant and the Owner, the "Company"), (b) with respect to the Equipment, owned by the Operating Company, and (c) operated by the Operating Company as a manufacturing and warehousing facility for the manufacture and storage of shuttle buses and other directly and indirectly related activities; (B) the granting of certain "financial assistance" (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the "Financial Assistance"); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency.

The Agency is considering whether (A) to undertake the Project, and (B) to provide certain exemptions from taxation with respect to the Project, including (1) exemption from mortgage recording taxes with respect to any documents, if any, recorded by the Agency with respect to the Project in the office of the County Clerk of Clinton County, New York or elsewhere, (2) exemption from deed transfer taxes on any real estate transfers, if any, with respect to the Project, (3) exemption from sales taxes relating to the acquisition, construction, renovation and installation of the Project Facility, and (4) in the event that the Project Facility would be subject to real property taxation if owned by the Company but shall be deemed exempt from real property taxation due to the involvement of the Agency therewith, exemption from real property taxes (but not including special assessments and special ad valorem levies), if any, with respect to the Project Facility, subject to the obligation of the Company to make payments in lieu of taxes with respect to the Project Facility. If any portion of the Financial Assistance to be granted by the Agency with respect to the Project is not consistent with the Agency's uniform tax exemption policy, the Agency will follow the procedures for deviation from such policy set forth in Section 874(4) of the Act prior to granting such portion of the Financial Assistance.

If the Agency determines to proceed with the Project, the Project Facility will be acquired, constructed, reconstructed and installed by the Agency and will be leased (with an obligation to purchase) or sold by the Agency to the Company or its designee pursuant to a project agreement (the "Agreement") requiring that the Company or its designee make certain payments to the Agency.

The Agency has not yet made a determination pursuant to Article 8 of the Environmental Conservation Law (the "SEQR Act") regarding the potential environmental impact of the Project.

The Agency will at said time and place hear all persons with views on either the location and nature of the proposed Project, or the Financial Assistance being contemplated by the Agency in connection with the proposed Project. A copy of the Application filed by the Company with the Agency with respect to the Project, including an analysis of the costs and benefits of the Project, is available for public inspection during business hours at the offices of the Agency.
