economic welfare of the people of the State of New York, to improve their prosperity and standard of living, and to prevent unemployment and economic deterioration; and

WHEREAS, to accomplish its stated purposes, the Agency is authorized and empowered under the Act to acquire, construct, reconstruct and install one or more “projects” (as defined in the Act), or to cause said projects to be acquired, constructed, reconstructed and installed, and to convey said projects or to lease said projects with the obligation to purchase; and

WHEREAS, in February, 2020, Schluter Systems L.P., a New York State limited partnership (the “Company”), submitted an application (the “Application”) to the Agency, which Application requested that the Agency consider undertaking a project (the “Project”) for the benefit of the Company, said Project consisting of the following: (A)(1) the acquisition of an interest in an approximately 1.5 acre portion of an approximately 49 acre parcel of land located at 194 Pleasant Ridge Road (Tax Map No. 232.-3-10.1) in the Town of Plattsburgh, Clinton County, New York (the “Land”), (2) the construction on the Land of an approximately 26,572 square foot research and development facility to include site improvements (the “Facility”) and (3) the acquisition and installation therein and thereon of related fixtures, machinery, equipment and other tangible personal property (collectively, the “Equipment”) (the Land, the Facility, and the Equipment hereinafter collectively referred to as the “Project Facility”), all of the foregoing to constitute a research and development facility to be owned and operated by the Company and other directly and indirectly related activities; (B) the granting of certain “financial assistance” (within the meaning of Section 854(14) of the Act) with respect to the foregoing, including potential exemptions from certain sales and use taxes, real property taxes, real estate transfer taxes and mortgage recording taxes (collectively, the “Financial Assistance”); and (C) the lease (with an obligation to purchase) or sale of the Project Facility to the Company or such other person as may be designated by the Company and agreed upon by the Agency; and

WHEREAS, by resolution adopted by the members of the Agency on February 10, 2020 (the “Public Hearing Resolution”), the Agency authorized a public hearing to be held pursuant to Section 859-a of the Act with respect to the Project; and

WHEREAS, pursuant to the authorization contained in the Public Hearing Resolution, the Executive Director of the Agency (A) caused notice of a public hearing of the Agency (the “Public Hearing”) pursuant to Section 859-a of the Act, to hear all persons interested in the Project and the financial assistance being contemplated by the Agency with respect to the Project, to be mailed on February 27, 2020 and hand delivered on February 28, 2020 to the chief executive officers of the county and of each city, town, village and school district in which the Project Facility is to be located, (B) caused notice of the Public Hearing to be posted on February 27, 2020 on the Agency website and on February 28, 2020 on a public bulletin board located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York, (C) caused notice of the Public Hearing to be published on March 2, 2020 in the Press-Republican, a newspaper of general circulation available to the residents of Town of Plattsburgh, Clinton County, New York, (D) conducted the Public Hearing on March 12, 2020 at 9:00 o’clock a.m., local time at the Plattsburgh Town Hall located at 151 Banker Road in the Town of Plattsburgh, Clinton County, New York, and (E) prepared a report of the Public Hearing (the “Public Hearing Report”) fairly summarizing the views presented at such Public Hearing and caused copies of said Public Hearing Report to be made available to the members of the Agency; and

WHEREAS, pursuant to Article 8 of the Environmental Conservation Law, Chapter 43-B of the Consolidated Laws of New York, as amended (the “SEQR Act”) and the regulations (the “Regulations”) adopted pursuant thereto by the Department of Environmental Conservation of the State of New York (collectively with the SEQR Act, “SEQRA”), by resolution adopted by the members of the Agency on February 10, 2020 (the “Preliminary SEQR Resolution”), the Agency (A) determined (1) that the Project involves more than one “involved agency”, and (2) that, although the Project may constitute an “unlisted

action”, and coordinated review and notification of other involved agencies is strictly optional with respect to the Project, the Agency wished to investigate the advisability of undertaking a coordinated review with respect to the Project and (B) authorized the Executive Director of the Agency to contact all other “involved agencies” for the purpose of ascertaining whether such “involved agencies” were interested in undertaking a coordinated review of the Project and, if so, designating a “lead agency” with respect to the Project (as such quoted terms are defined in SEQRA); and

WHEREAS, further pursuant to SEQRA, the Agency has been informed that (A) the Town of Plattsburgh Planning Board (the “Planning Board”) was designated to act as the “lead agency” with respect to the Project and (B) on October 15, 2019 the Planning Board determined that that the Project is a “Type I action” which will not have a “significant effect on the environment” and, therefore, that an “environmental impact statement” is not required to be prepared with respect to the Project and issued a negative declaration with respect thereto (the “Negative Declaration”); and

WHEREAS, at the time that the Planning Board determined itself to be the “lead agency” with respect to the Project, it was not known that the Agency was an “involved agency” with respect to the Project, and, now that the Agency has become an “involved agency” with respect to the Project, the Agency desires to concur in the designation of the Planning Board as “lead agency” with respect to the Project, to acknowledge receipt of a copy of the Negative Declaration and to indicate that the Agency has no information to suggest that the Planning Board was incorrect in determining that the Project will not have a “significant effect on the environment” pursuant to SEQRA;

NOW, THEREFORE, BE IT RESOLVED BY THE MEMBERS OF COUNTY OF CLINTON INDUSTRIAL DEVELOPMENT AGENCY, AS FOLLOWS:

Section 1. (A) The Agency has received copies of, and has reviewed, the Application, an environmental assessment form prepared by the Company and the Negative Declaration (collectively, the “Reviewed Documents”) and, based upon said Reviewed Documents and the representations made by the Company to the Agency at this meeting, the Agency hereby ratifies and concurs in the designation of the Planning Board as “lead agency” with respect to the Project (as such quoted term is defined in SEQRA).

(B) The Agency hereby determines that the Agency has no information to suggest that the Planning Board was incorrect in determining that the Project will not have a “significant effect on the environment” pursuant to SEQRA (as such quoted phrase is used in SEQRA).
